TO: FEC

This is a response to the FEC's letter of January 13, 2005 regarding the 30 day post-general report for the period between October 14, 2004 and November 22, 2004 for the Gutierrez for Congress Committee (ID No. C00254581). The Committee has refunded all of the contributions received after the general election because the contributions exceed the debts outstanding from the general election. The Committee has not redesignated any of the contributions. In the Committee's next quarterly report all of the refunded contributions shall be disclosed as the refunds did not occur until 2005.

Further the Committee amended its 30 day post general report for 10-14-04 to 11-22-04 to include in its schedule A the contribution from United Food & Commercial Workers International Union which was inadvertently not included, but which was disclosed in a 48 hour report on October 17, 2004. The subsequent report for the year end on 12-31-04 was also amended because the schedule A for the prior report was amended.
